SHARED EXPERIENCES, A FEAST FOR THE SENSES!

The indoor Orchideeën Hoeve is a breathtaking nature experience revolving entirely around enjoying, experiencing, and creating memories together. In our entirely covered park (25,000 m²), you will be guided straight through tropical nature, where you will encounter a variety of animals such as monkeys, lorries, and butterflies.

Our only goal as a family business is to provide you and your guests with an unforgettable day! Whether you are visiting us with your association, family or colleagues, our experienced team is at your disposal and will gladly take care of your guests in a personal manner.

Turn it into a comprehensive outing by adding an extensive lunch, have your guests enjoy a guided tour through the brand new Lemur Kingdom or conclude your visit with a dinner at our greenhouse restaurant. This brochure includes information about all group options. The prices mentioned obviously apply only to bus companies and tour operators. Do you prefer a tailor-made package? Our experienced team will gladly contribute ideas to making your outing an unforgettable day.

We look forward to welcoming you at Orchideeën Hoeve!

• Orchid expert

The orchid family is one of the largest plant families on earth with its more than 31,000 species. At this inspiring meeting, our orchid expert will explain everything about the various species, our passion for orchids, and we will of course share practical tips for care. In addition, the caretaker will gladly answer the guests' questions.

• Butterfly keeper

Together with a wildlife guide, you set out in search of live butterflies, caterpillars and chrysalises in Butterfly Valley. Our guide's lecture explains all about their life span, life cycle, feeding habits, camouflage and the most eye-catching butterflies. For instance, did you know that the Postman Butterfly flies exactly the same route every day?

• Caretaker of the flower garden

Our flower team works 60 hours per week to have the SkyFlora Garden bloom exuberantly throughout the year. The caretaker will guide your guests around, while talking about picking flowers, ingenious irrigation system, the nutrition, and the biological approach to eradication. In addition, he will highlight various summer flowers and share practical tips for care.
